STORMOVER THE NILE was away alertly in hand dictating terms inside down the backstretch, got a good breather slowing things down controlling pace up front with the rider still in the saddle around the oval, hugged the rail well in command at the top of the stretch and had plenty to offer in the final furlong comfortably cruising in for the gate to wire score. WINE MONEY was content to let the loose pacesetter go on with it stalking the leader inside another midway along the backside, was nudged for more chasing in midturn to edge up briefly by the quarter pole, posed the only threat just off the rail at the head of the lane but could not reel in the winner who had more than enough left in the final furlong and chased in earnest to the wire easily holding for second best. PEACE OFFERING broke sluggishly trailing the field in the early going, progressed at the half mile marker going past an outside foe, remained at the rear being a joint last inside throughout the turn, made a brief rally improving position inside two runners three wide in upper stretch and finished up willingly trying to get close in for second money but settling for a clear third in the end. ZIP TO ZAP broke with the group but regressed outside along the back straight to be last at the half mile marker, co-trailed three wide around the bend while scrubbed on for more, swung out widest in the five path straightening out for the drive to the wire and finished up one paced settling on the fringes with the field quite strung out when crossing the finish line. HARD RELOAD was paired up having an outside tracking role down the backstretch, continued to watch the loose leader outside another early in the turn, was roused but could not quicken with rivals at the quarter marker, shifted to the four path weakening between horses at bet op of the lane and emptied out by the furlong pole.
