DIGITAL SECURITY tracked the frontrunner on the rail in the beginning stages, moved in quickly down the backside forcing the pace on the rail by the half, battled inside for the lead on the far turn, spurted clear in the two path taking the corner to be well in control with a furlong still to run and underleft handed urging drifted out in deep stretch just prevailing at the wire for the win. RUNNER EYES leapt up at the start, was initially going six wide around foes heading into the first of two turns, improved getting to the fence b y the half, edged closer hugging the rail midway through the second bend, had to be checked behind the eventual winner at the quarter pole, shifted out to the two path in mid-stretch starting to reel in the leader and was closing smartly in deep stretch but had to be checked when the winner was drifting out coming to the finish line. DEVIL'S TONGUE hopped on the break, settled inside runners near the tail end on the first turn, progressed smartly inside foes down the backstretch, was shuffled back losing momentum at the three furlong marker, re-rallied getting into gear again by the five sixteenths pole, moved out coming on strongly six wide at the quarter pole, had the eight path being fanned out at the top of the stretch and ran on willingly to capture the third place share late but could not threaten the top duo at the wire. NO CAPE had the lead just off the rail in the beginning, rolled along loose up top early down the backside, had company inside by the half, battled outside going eye to eye at the five sixteenths pole, gave way up top drifting out to the six path at the head of the lane and still kept on fighting back lasted at the wire for a minor placing. MASTERFUL MOMENT travelled four wide around horses close to the back in the beginning, advanced four deep down the backstretch, continued to keep closing in still going four wide on the second turn, was floated out to the seven path at the top of the stretch and continued to stubbornly dig in down the lane in the two path in the final eighth of a mile just losing the three way tussle for the show award. KEYNOTE SPEAKER had the rail position in the middle of the pack, made an early move splitting foes coming up oin the heels of the leader having to be wrangled back a touch, had the two path sitting behind the leaders at the quarter pole, shifted to the three path in the hunt turning for home but could not offer a finishing kick and faded inside in the last sixteenth of a mile. LAWYER MASON had runners on either side sitting in mid-division on the first turn and through the backstretch, made a good rally three wide at the quarter pole getting into contention, shifted to the five path in with a chance for a piece of the prize between foes in upper stretch but weakened inside horses in the final furlong. TURBO CHARGED was a joint last in the rail in the first bend, trailed the group along the back straight, made a brief rally on the rail passing a few runners at the three eighths pole but could not factor through the stretch running. HOT POTATO travelled three wide in midfield on the initial bend, was unable to hold forward position in the three path getting shuffled back at the half mile marker, was going in th wrong direction taking the outside route four wide on the final bend and had little to give in the stretch drive. CELESTIAL HEART settled near the rear in the three path between foes, had only one runner beaten along the backside, was relegated to the rear on the fence midway along the far turn and could only manage to pass a weary outside foe turning for home. BEACH CRICKET tracked three wide on the outside in the early stages, could not continue on with others when retreating three wide through the field on the far turn and emptied out in upper stretch.
