YOU'RE SO LUCKY had the rail being inside two others co–trailing early on, still could see the compact group at the half, lagged behind at the midpoint of the far turn, commenced a rally reaching for more ground shifting outside to the three path straightening out for the drive, moved out further for clear run four wide at the furlong pole and under a well timed late surge just got up in the shadow of the wire outside for the win. BALBONI'S CREW pressed the early pace three wide on the outside, continued to hound the frontrunner outside along the back straightaway, pounced three wide under a vigorous ride battling outside for the lead in upper stretch, edged away briefly between foes with a sixteenth to go but was nabbed by the outside winner in the final few jumps. PROFESSOR RELOAD had the rail position tracking the pacesetter in the early stages, crept closer angling out two wide midway through the final bend, had the two path duelling inside another up top at the head of the lane, had a brief lead at the furlong pole but was no match for the front two fading at the sixteenth marker just saving for the show award inside at the wire. WAHEELA settled between runners watching the front lead threesome, remained near the rear ahead of only the eventual winner at the half mile marker, shifted out at the five sixteenths pole to be in the five path turning for home and ran on gradually outside rivals to be a fringe player in the end. KEYNOTE SPEAKER travelled three wide on the outside part of the back trio in the beginning, improved slightly still outside three deep through the backside running, could not keep up to the front three on the far turn remaining in the three path by the quarter pole and showed little unable to be a factor in the stretch run. RELOAD EH had the between runners setting a modest pace early on, continued up top on the rail while hounded outside down the backstretch, edged clear on the final bend by the five sixteenths pole, gave way on the front end offering little resistance on the fence by the time the runners hit the stretch and emptied out in the drive to the wire.
