DAFINA prompted the pace three wide initially, inched even closer shadowing the frontrunner outside down the backstretch, moved in on the final turn getting a head in front by the quarter pole and edged away for the win while drifting out considerably in the last sixteenth of a mile. MAKAYLA controlled the modest pace on the rail narrowly up top on the first turn, continued to have a slim lead inside down the backstretch, was collared outside by the winner at the quarter marker„ dug in trying to fight back briefly until the sixteenth but gave way grudgingly for the win late while beating the rest comfortably for the place award. STARSHIP SERENITY was nestled on the fence tracking the frontrunner, chased the eng aged but to no avail on the far turn with a quarter mile remaining but still kept on finishing up willingly down the stretch drive to be a clear but non threatening third in the end. MAXINE MAGIC was bumped and sandwiched at the start being allowed to settle into stride just off the fence trailing under the wire for the first time, advanced on the rail passing two outside runners midway along the backstretch, was being scrubbed on for more making little headway on the lead three on the last turn, shaved the corner passing an outside rival getting into contention turning for home and continued to run on one paced capturing a minor share at the finish line. SERENADING AMAYA bobbled then was jostled in tight between horses on the start, was situated three wide outside two others part of the back trio on the first of two turns, had the rear outside three deep down the backside at the five eighths marker, made little impression still at the rear going three wide around the far turn, angled out to the five path for the drive and showed a little interest passing a couple of tired inside runners in the final eighth of a mile. PRINCESSONAMISSION was in the early mix with runners on either side around the first bend, had the outside position running as a pair in the second flight watching the lead duo at the half„ regressed slightly two wide midway through the far bend, shifted to the three path in upper stretch and weakened with a furlong still to run. SARAH'S DANCER veered out sharply even though the rider was strongly trying to keep a straight course on the break, travelled just off the fence near the rear on the initially turn, remained at the back trio between runners at the five eighths pole, had little to offer two wide spinning her wheels on the last turn, came up empty in the three path turning for home and was wrapped up by the rider in the final furlong.
