SPELLCHECK had a nice set up tucked in on the rail keeping a close eye on the front two down the backside, rated kindly on the fence getting a pocket trip behind the frontrunner throughout the turn, shifted out off the pacesetter two wide between runners coming with a rally, drove past smartly by the sixteenth pole and won going away in the end. ROSE FORTUNE was away alertly getting the advantage inside running down the backstretch, rolled along moving comfortably unchallenged around the turn, hugged the rail holding on the front end straightening out for the drive but was no match for the overpowering winner outside relinquished the lead by the sixteenth pole and just had enough left in reserve to last at the wire for the place share. PARTY HOTLINE was part of the tracking quartet going four deep on the outside in the early stages, edged up three wide being coaxed for more midway through the bend, had the four path at the top of the lane and kept coming on gradually through the drive to wire but just missed outside with one final late surge for the runners up position. ARYA'S QUEST broke in at the start, had the three path with horses on either side sitting in midfield down the backstretch, made little headway going three wide around the bend, shifted out to the four path entering the stretch, dipped back inside slightly in the final furlong and rallied mildly to capture a minor placing in the late going. ARTFUL DIAMOND had the two path between foes sitting in mid–division along the back straightaway, regressed two wide at the five sixteenths pole, angled out from the two path at the head of the lane to be three wide passing a tiring inside runner with a furlong to go but could not get involved in the late running. ENCHANTED FOREST was brushed by the outside foe on the break, sat unhurried on the rail down the back straightaway, still could see the field in hand well within striking distance on the fence in the turn running, shaved the corner moving into contention for a piece of the prize passing a couple of outside runners in upper stretch but could not continue with the run and faded inside rivals in the final sixteenth of a mile. SKYDIGGER was being pushed on for more prompting the early pace along the backside, travelled two wide chasing the leader but in vain around the oval, shifted out to the three path giving way to being in the conversation up top turning for home and had little left to offer folding up in the final furlong.
