Dk. b or br. f, (Feb), by Raging Bull–Fr – Dirty Red , by First Samurai . Trainer Tharrenos William. Bred by Bedell Conboy (Ky).

VELVET RAGE had the rail position sitting in the middle of the pack, edged up on the fence by the three eighths marker, had aim on the pacesetter two wide keeping that one in its sights at the quarter pole, shifted out off the leader looming a menacing presence at the top of the stretch and wore down a game frontrunner driving by in the last sixteenth of a mile for the win. WOZNIACKI broke out on the start but quickly recovered clearing away getting to the fence loose up top by the half, rolled along unopposed through the bend, hugged the rail in control entering the stretch but could not fend off the winner outside any longer at the sixteenth pole and gave way grudgingly in deep stretch well ahead of the rest for the place share. SIPPING HISTORY was content sitting off the loose leader outside with a half mile still to run, moved two wide chasing the pacesetter between runners on the turn by the quarter pole, shifted out to the three path in hunt at the top of the lane but was no match for the front pair who had in to themselves in the final furlong and just lasted outside at the wire holding for the show award. LET'S GO SOUPER regressed through the backside on the rail to be at the tail end at the half mile marker, remained on the fence a joint last in midturn, began to lengthen stride cutting the corner in upper stretch and rallied inside rivals down the lane settling on the fringes but just coming up shy with one final push for third at the finish line. SILICIUM (FR) broke inwards on the start, settled close to the back outside foes through the backstretch, was last in the field going three wide at the three eighths marker, swung out widest to the six path for the stretch run but failed to fire in the drive to the wire. FRAC IS THE JUDGE was pinched between runners on the break trailing in the beginning, advanced to mid-pack splitting horses at the half, made little impression just off the rail around the oval, shifted to the three path between runners at the head of the lane but showed little lacking a rally in the stretch drive. REACH FOR THE TOP travelled three deep in midfield when the group was sorting itself out midway along the backside, ranged up closer three wide around the turn to be in the mix of things in the five path turning for home but could not find another gear for the late going and yielded between rivals at the sixteenth pole.
