TURN N BURN established the front just after the break and showed the way three paths off the inside down the backstretch through moderate splits and under some pressure from IMMACULATE MOON to the outside, came under a snug left grip into the turn when appearing to want to get out at the nine-sixteenths, got released and given some rein to work with three furlongs out, again appeared to want to get out with five-sixteenths to go with IMMACULATE MOON now glued to her outside, spun just off the inside into upper stretch and tussled with that rival to her outside before shaking away a furlong out and drawing off through the final furlong to the finish. MAGIC BIJOU chased three to four wide under a ride from three furlongs out, angled five wide into upper stretch, proved no match for the top one while keeping on to secure the place honors in the final jumps. IMMACULATE MOON prompted the pace of TURN N BURN from the outside, four paths off the rail, came under urging three furlongs out and advanced to intensify the pressure, swung three to four wide into upper stretch and dug in heads apart for command until shaken off just outside the eighth pole, proved no match for the top one late, kept on to the finish but was caught in the last jumps for the place honors while clear for the show. SERENIQUE bobbled slightly at the break, chased just off the inside under a ride from three furlongs out, continued in the two path into upper stretch, weakened. THEORIZE chased inside briefly before tipping to the two path down the backstretch, went just off the inside into the turn before angling four wide near seven-sixteenths to go, swung three to four wide into upper stretch and trailed throughout.
