B. g, (Feb), by Souper Speedy – Lady of Moray, by Philanthropist. Trainer Brooks Cary. Bred by Spring Farm (Ont–C).

ROCKFORT pressed the issue on the rail, got a nose in front on the rail with a half mile remaining, narrowly maintained the advantage in midturn on the rail with a host of outside rivals bearing down, lost the lead by the quarter pole but under a patiently handled ride was resurgent scraping paint shaving the corner regaining control and pulled away in the final furlong for the win. THIRD AND FOUR was five deep part of the scrum in the beginning fighting for the front end, smartly took back off the contesting quartet at the seven sixteenths pole all alone watching those rivals slug it out, came with a rally shifting out three wide at the quarter marker, angled to the five path posing the main opposition to the winner at the top of the stretch but was second best unable to reel in the dominant winner in the final furlong. LUMINEER veered out on the break, recovered in the four path between runners part on the early scramble for the lead, circled around rivals four wide on the turn seizing control by the quarter pole, surrendered the lead in the three path to the eventual who was coming back on inside in upper stretch and faded between horses in the lead group at the furlong pole but still ran well enough holding comfortably for the show money at the wire. MY JUSTYN THYME had a head in front in the two path in the beginning stages, relinquished the lead to thee entail winner inside at the half, chased two wide on the turn but could not keep up to the lead pair by the quarter pole and still finished up mildly in the drive to the wire to be a fringe player in the end. FATHER HARRIS was away very slowly spotting the entire field leaving the gate, passed an outside foe by the half, could not make any headway well back of the group through the turn, caught another foe in the drive but could not get involved really due to the very compromised start. NOTHIN' IS EVER EZ had the three path with runners on both sides prompting the early pac, remained three wide in the forward group arguing for the front end in midturn, moved out to the four path for the drive but had little to give late and wilted by the furlong marker. CANDYCREST had a poor start breaking in a tangle getting forced out by the inside runner on the start, had one runner beaten in the early going who happened to be another troubled starter entering the backstretch, could see the field at the half, was a long last through the turn and closed the gap down the lane but could not catch up to any runners when crossing the finish line.
