RYZEN got away alertly and set the early pace then opened up into the turn before drifting out in the stretch then held sway on the wire. LIL SHARPIE was allowed to settle early then angled six wide at the 1/4 pole and was asked into the stretch, rallying late for place. VERTISALUTE got off slowly and raced with a rail trip then angled out into the stretch and split horses, gaining late. VESPER MARTINI rated in the second flight early then made a steady advance while four wide on the turn and a bid between horses into the stretch but was outfinished. FIRST KISS EVER stumbled at the start then was hustled up and chased the early pace while tucking in to save ground through the turn then made no rally in the stretch. ALL THAT SASS was fractious in the gate then rated in the middle of the pack while saving ground but never threatened.
